

## MENUS FOR GROUP VISITS 2012

When visiting Doddington, refreshments for your group must be pre-ordered and paid for in one transaction along with the admission on arrival. Although we do have a Café and Restaurant, they are not big and are nearly always full with regulars from the local area which means that we cannot guarantee seating or timely food for your group there.

Refreshments for your group will be served in our Coach House, which has recently been extended and refurbished to the highest specification. (It is also used for weddings and corporate events.) Your group can be served by our dedicated team, all at once, according to your timetable.

Please note we can only prepare two alternative lunches for your group and need to know the numbers for each in advance

Please fill in the right hand boxes with the numbers required of each dish.
