

THE LONG GALLERY & MARQUEE SITES AT DODDINGTON HALL

Photograph by Chris Marsh

Doddington Hall is a beautiful Elizabethan family home surrounded by five acres of stunning walled and wild gardens. Full of character and with a uniquely romantic atmosphere, it is suitable for weddings for any number between 40 and 200.

Civil Ceremonies are held in the splendid Long Gallery with portraits by artists such as Sir Joshua Reynolds to oversee proceedings.

Wedding receptions take place in a marquee, either on the croquet lawn (left) or in the "The Avenue", a magnificent site in parkland just below the house
