

PET POLICY

We are pleased to welcome you and your pets as our guests at Doddington. The Estate is perfect for dog walking with a number of routes varying in both length and terrain. You can pick up a map of walking trails from our Farm Shop.

Well-behaved dogs are welcome in our Clothing and Home store, downstairs in the Grain Store and in the outside areas of our cafés, where water bowls are also available.

We have outlined a few simple guidelines that will help ensure the safety of both your pet and other visitors on the estate:

- Grange Farm and Holly Cottage are our dog-friendly properties. They are prepared to accommodate your pet, providing that they are fully house trained. We politely request that you bring their favourite bedding with you, and do not let them on any of the furniture in the cottage.
- All pets are charged at £30 per dog per stay, which is non-refundable and payable at the time of booking.
- Your pets should be appropriately restrained at all times and it is your responsibility to ensure that your pet complies with local legislation requirements defined in DEFRA Animal Welfare Policy (Control of Dogs)
- You are responsible for cleaning up after your pet on the Doddington Estate.
- Dogs are not to be left alone at any time within the accommodation or the grounds. Any disturbances such as barking must be curtailed to ensure other guests are not inconvenienced.
- The Hall does not accept liability for any loss, damage or illness to your pet. You are responsible for any property damage resulting from your pet and the Hall reserves the right to charge an amount commensurate to the cost of such damage following an inspection upon departure. Please be aware that these policies are to protect both parties.

Should you have any queries, please contact stay@doddingtonhall.com.
