

DRINKS MENU

Our drinks menu is crafted with the same philosophy as our kitchen: rooted in nature, fiercely seasonal and unapologetically bold.

From botanical cocktails inspired by our varied history to local Lincolnshire spirits, world-class English sparkling wines, robust, grill-ready reds and everything in between, there is truly something for everyone.

Whether you're seeking a flawless pairing for our nose-to-tail menu or simply looking to discover something completely new, please don't hesitate to ask our wonderful team. We are always on hand to guide you towards your new favourite drink and, believe us, most of us would love to talk your ear off!

CHAMPAGNE & SPARKLING WINE

Our sparkling wine portfolio offers a delicate dance of vibrant citrus, rich toasted brioche and razor-sharp minerality. Whether toasting to friends old and new or simply cutting through the depth of our nose-to-tail menu, a chilled glass is the ultimate accent to your Grain Store experience.
