**FRESH INGREDIENTS** – All fresh produce is locally grown, either in our own Kitchen Garden or sourced from local growers and producers. We use fresh, free-range Priory eggs from Welton Farm. If you would like to take some home, you can pick up a box in the Doddington Farm Shop. Our Lincolnshire sausages are provided by Hambleton's Butchers, located in the Farm Shop.

**ALLERGIES & DIETARY REQUIREMENTS** – If you have a specific food allergy, food intolerance or dietary requirement please advise us before ordering. If you are unsure of any ingredients please ask to see our allergen guide. Please note, whilst our team follow strict controls, we do prepare food in a kitchen where nuts, cereals, eggs and other allergens are present, and we therefore cannot guarantee that our dishes will be free from traces of other ingredients. Gluten free bread is available on request.

**FEEDBACK** – We want you to have a great time every time you visit the Doddington Coffee Shop. So, if your experience has been anything less than that, please speak to a member of our team who will be happy to help you. Please also let us know if we get it right too!
