

OUR ETHOS

Here at Doddington Hall we are proud to showcase seasonal, estate-grown produce on our menus.

“Growing up at Doddington, I learnt to cook using what was in the Kitchen Garden as the seasons passed and my love of cooking and good food stems from this. I strongly believe that fresh, seasonal ingredients are the foundation of delicious food.”

- Claire Birch

A driving force of our Wilder Doddington project is our herd of rare breed Lincoln Red cattle which is helping to build biodiversity and carbon sequestration in our soils and vegetation. Our Lincoln Red beef is pasture-fed, aged for at least 28 days and is simply delicious.

There is also game and foraged produce from across the estate along with fruit and vegetables picked daily in our walled Kitchen Garden.

Beyond the estate, we seek out the best local growers and producers from Lincolnshire and surrounding counties for produce such as bread, cheese, eggs, meat, vegetables and fruit.

Our chefs cook everything from scratch, so you might have to wait a few minutes for your food, but we hope you think it is worth it!

Whilst our team follow strict controls,
we do prepare food in a kitchen where
nuts, cereals, eggs and other allergens
are present, and we therefore cannot
guarantee that our dishes will be free
from traces of other ingredients.

AFTERNOON TEA

Enjoy a special treat with an award-
winning Afternoon Tea in the
Coach House Tea Room.

Please see our website for
availability & bookings

THANK YOU FOR YOUR SUPPORT

Over the last 17 years we have
developed a wide range of shops and
cafés which we hope you will enjoy in
the knowledge that all the proceeds go
towards the upkeep and conservation
of the Hall, Gardens and wider Estate.

At the same time we have worked
hard to be sustainable with our *Wildier
Doddington* rewilding project and a
range of environmental initiatives.

There is always something new to
see and do and we look forward to
welcoming you back to Doddington
soon.

Claire & James Birch
